MBKM Implementation Audit Report

1. Objective

The Internal Quality Audit of the MBKM implementation standard aims to measure the success of the implementation of the independent learning policy at the study program level.

2. Management Review Meeting Results (Previous Year)

2.1 Follow-up findings

S2 Accounting

1. There is no association/KKNI study material according to level
2. RPS through the benchmarking process at international institutions has not been carried out
3. There is no evaluation of the suitability between the research roadmap and the research conducted periodically.
4. There is no evaluation of the suitability between the community service roadmap and the community service that is carried out periodically.
5. The curriculum development plan has not been made based on the results of the analysis of user needs and the analysis of the success of the previous curriculum, while what has been done is based on the analysis of graduate competencies and SWOT analysis.

S2 Management

6. Graduate achievements are in accordance with the specifications of competent study programs, have been carried out but there are no reports yet
7. The success of graduates is monitored every year, it has been done (2019, 2020, 2021) but for 2022 it needs to be completed

Master of Economics Education

8. There is no document that proves that the curriculum has been restructured periodically and continuously based on input from stakeholders, alumni and the community. The last time the restructuring was carried out was not recorded.
9. There is no OBE-based KKNI curriculum document containing the objectives of the study program. Therefore, a re-evaluation is needed.

S1 Economic Education

10. CPMK indicators were not assessed according to 3 domains (cognitive, psychomotor, and affective), no CPL assessment was carried out for the 2020, 2021, 2022 intakes.

Problem:

MBKM Audit Results

1. Management S1 1 KTS

Root cause of the Problem:

1. MBKM data from PPT is missing

Solution to problem:

1. Create some documents that are not yet available
2. Write to PPTI for MBKM value data

RTM Conclusion:

1. There are several problems in the audit, namely the absence of documents and so on.
2. Any issues with the curriculum audit will be resolved by December 2024.
3. The person responsible for completion is the coordinator of the study program

1.2 Improvement and Follow Up

There needs to be monitoring from study programs to implement the curriculum in accordance with existing guidelines.

Table 1 results of Form 4 analysis of the MBKM Implementation audit

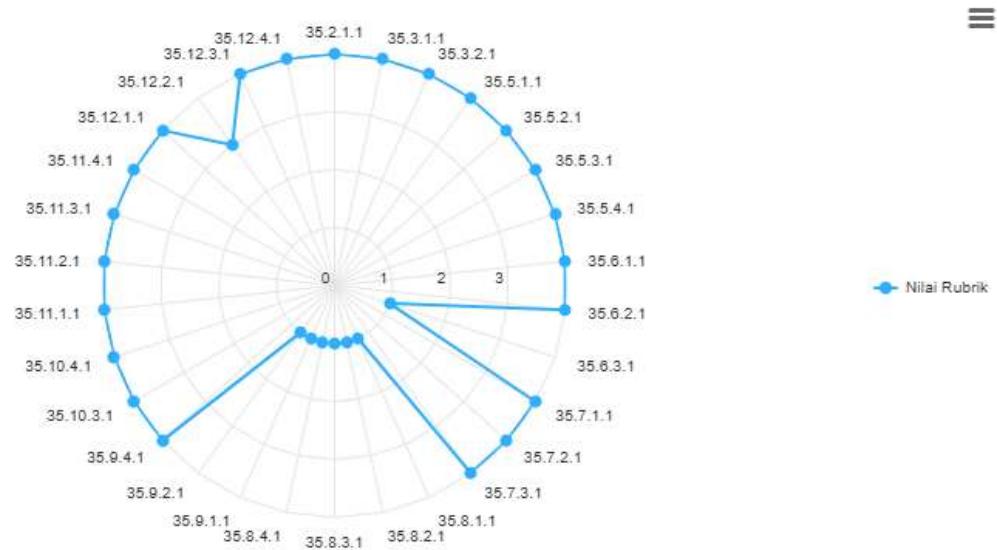

No.	No. Indicator	Findings	Found in study program 2024	Control (Prevention Plan & Schedule)
1	35.6.3.1	There is no measurement of CPL for internship programs or student work practices that is measured periodically at the study program level..	S1 Management	Data request at PPTI December 2024

- C. Description of the upgrade

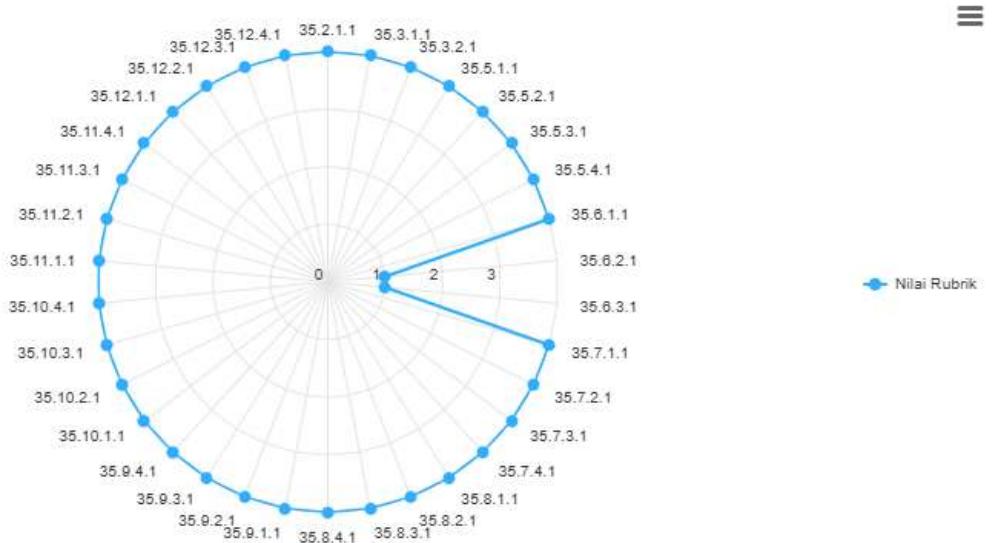

CPL measurement must be based on MBKM course value data. In the S1 Management Program and all other study programs, CPL cannot be measured because the MBKM course value, especially internships, is lost by the system. So the Faculty will write to PPTI
