# Welcome to Unesa, Feels Like Home

With great pride and enthusiasm, Universitas Negeri Surabaya want to talk about our commitment to welcoming foreign students to this campus and ensuring they feel at home. One very important aspect of providing a quality educational experience for foreign students is comfortable, safe and supportive accommodation. Therefore, Unesa would like to emphasize our commitment to providing an extraordinary campus dormitory for you, foreign students who intend to undertake their educational journey here.

Moving to a different country and new environment is a big challenge. Therefore, we want to ensure that you have a decent place to live, with adequate facilities and a supportive atmosphere. Dormitories in Unesa will not only be a place to sleep and rest, but also a place that promotes cultural exchange, student friendship, and personal growth.

We have invested in improving our dormitory facilities, including regular maintenance, tight security, and comfortable public facilities. In addition, we also recognize the importance of diversity among foreign students, so we will strive to create a friendly, inclusive and supportive environment for all cultures and backgrounds.

We will also provide staff and support ready to help you overcome any challenges you may face during your stay in our dormitory. You will always have access to the resources and information necessary to make your stay on campus successful and comfortable.

We want you to know that we consider this to be your home here. We are committed to making it a warm, fun, and safe place where you can thrive on your educational journey and create unforgettable memories.
