

Requirements

The applicants of the International Undergraduate Program in 2025 must meet the following requirements:

1. High school graduates or equivalent from within and outside the country;
2. Graduation certificate/diploma no older than 3 (three) years;
3. High school graduates from abroad with the American Education System or British Education System, minimum year 12 or have an equivalency of a diploma from the Indonesian embassy in the relevant country with high school graduates in Indonesia.
4. Have academic ability using one of the following values:
 - SAT test organized by The College Board (<http://satcollegeboard.org>)
 - Scholastic test organized by Unesa.
5. Have English language skills with a test score of one of the following:
 - TOEFL ITP ≤ 500 ; TOEFL IBT ≤ 61 ;
 - TOEFL CBT ≤ 173 ; IELTS ≤ 5.5 ; or TOEIC ≤ 575 .
 - Language aptitude test (relevant to study program)
6. Pass the IUP entrance exam which includes:
 - written exam;
 - interview.

Entrance Examination

1. The entrance examination of International Undergraduate Program is the Scholastic Ability Test which is Higher Order Thinking Skills (HOTS). The total number of questions is 25 questions. The test duration is 60 minutes. The scoring system: (1) For multiple choice questions: 100% if correct, -25% if incorrect, 0% if blank; (2) For short questions: 100% if correct, 0% if incorrect or blank.
2. If participants do not have a TOEFL certificate or equivalent, they can take the TEP test organized by the Unesa Language Center with link : <https://pusatbahasa.unesa.ac.id/page/test-of-english-proficiency-tep>.
3. If the number of applicants is below the minimum (less than 10 people/class), then applicants will enter the International Class Pilot Class (r-IUP) with the same tuition as regular class.
