The Legal Science Study Program is accredited “**Unggul**” by the National Accreditation Board for Higher Education (BAN-PT). The program also achieves Agentur für Qualitätssicherung durch Akkreditierung von Studiengängen (AQAS) Accreditation.

Program's Profile

The Legal Science Study Program of the Faculty of Law focuses on innovative thinking while having a lawpreneur mindset. We develop a legal teaching system that aims to produce alumni who are ready to be a professional in the field of law i.e. legal officers, lawyers, judges and prosecutors.

The publications, research, and public services we carry out are aimed to benefit society in general. Through productive collaboration with many stakeholders, students' horizons and skills will be broadened and be globally recognized respectively.

Program Pathway

Single Degree with International Exposure

Duration: 4 Years (3 years at Home University + 1 year at partner university)

Degrees Awarded: Bachelor of Law (S.H.) from Home University

Curriculum Highlights

Year 1-3 (Home University): Foundation courses in basic knowledge of law, legal philosophy, Indonesian law system, Indonesian criminal justice system and international law. A specific concentration of law can be chosen afterwards namely economic and business law, procedure law, criminal law, civil law, governmental law, labour law, agrarian law, international law, Islamic law and sports law.

Year 4 (partner university): compulsory and elective courses on formal-legal capacity improvement or special legal skills enhancement.

Internship: Engage with legal professionals in practising law.
