Learning goals/competencies:	<p>Course Learning Outcomes (CLOs): After taking this course, students will be able to:</p> <ol style="list-style-type: none"> 1. Explore data/information in the context of learning Islamic Religious Education including insight / knowledge about Islam, religious attitudes, skills in carrying out Islamic teachings, commitment to Islam, self-confidence as a Muslim, and proficiency in implementing religious teaching. 2. Recognize theoretical concepts about Islamic knowledge according to references. 3. Have mindset, attitude and behavior that reflects a good Muslim personality who has the ability to do religious teaching. 4. Have responsible, caring, honest, and cooperative attitudes, respect others' opinions and love the country in implementing and preserving the values of Pancasila in reality and everyday life.

Content:	This course provides provisions for the formation of students' personality as a whole by making Islamic teachings as a basis for thinking and behaving in scientific and professional development. A complete personality can only be realized if each student has faith and piety to Allah SWT. Faith and piety will only be realized if it is supported by the development of its elements, namely: insight / knowledge about Islam (Islamic knowledge), religious attitudes (religion dispositions), skills in carrying out Islamic teachings (Islamic skills), commitment to Islam, self-confidence as a Muslim (moslem confidence), and proficiency in implementing religious teachings (Islamic competence). In the psycho-social constellation, either as individuals, family members, community members, or as Indonesian citizens. This course upholds divine values, humanity, unity, deliberation and justice within the framework of Pancasila and NKRI. This course also integrates Anti-Corruption Education material and religious moderation.												
Attribute Soft skill:	Active communication
