**Dear Dr Hariyati,**

It gives me much pleasure to enclose your **Membership Certificate** recognising you as one of our honoured members. This is a document that attests that you may use the post-nominals **CMA** after your name.

You will now be receiving the Institute's *On Target* Newsletter, and the *e Magazine*. You would also know that the Institute's Web Page has been designed and can be accessed at [www.cmawebline.org](http://www.cmawebline.org) and has all the current information contained in our newsletter as well as details of our Education and continuing professional development programs.

The Executive Committee is anxious that members should contribute to the vital work of the recruitment of future members and their education and training. Please encourage suitable candidates to work for the Institute's qualification. The Institute's Education Committee Chairperson is available to advise and assist in these matters.

Please never hesitate to get in touch with me if you have any queries or difficulties but in the meantime, on behalf of the Executive Committee, I extend to you a sincere welcome as an Institute Member and best wishes for the future.

Yours Sincerely,

President  
Michael Tse

*NOTE: Members are reminded that only current paid-up members are allowed to use the **CMA** membership designations. Failure to maintain membership status would also necessitate the return of their Membership Certificate, which remains the property of the Institute.*
