

**LETTER OF INTENT
BETWEEN
UNIVERSITI PENDIDIKAN SULTAN IDRIS
AND
UNIVERSITAS NEGERI SURABAYA**

Number: 36464/UN38.8/KS.04.03/2021

On the basis of deliberations conducted hereto, herewith unanimously declare their mutual intention to conclude on a collaborative research and/or publication in indexed international journals or seminar proceedings along with the development of intellectual property based on the research area of business management knowledge and ability to innovate on entrepreneurial lifestyle through entrepreneurial interests of Indonesian and Malaysian students.

Both institutions have taken first step in an active partnership and they shall endeavor to carry out programs for mutual benefit on the collaboration, through conducting collaborative publication and developing intellectual property. The parties involved in this intention will serve for a period of research term, that is eight to twelve months, as mutually agreed upon.
